This letter serves as formal announcement that the e-juice products manufactured and bottled at Tasty Puff's facility are bottled using certified Child Safety lids at our US facility located in Albuquerque, NM. All products marked and labeled as Tasty Puff E-juice and/or Tasty Puff Drip Juice fall under these guidelines. Each bottle sold has a batch number located on the bottle that pertains to its manufacture date. A third party by the name of Bird Dog Marketing Group LLC was used to perform the required tests to certify the bottles used comply with Child Safety Regulations. Consumer safety has always been and will continue to be a priority to our company.

Please see the attached certificates accompanied with this letter. If a certificate was not present with this letter please contact jadah@tastypuff.com.

Thank you
